★ Road-Map Book Report ★

For this book report you will create a timeline in the shape of a road map. The road map will show important events from a particular period in history covered in your book in sequential order.

Check off each requirement after you've completed it.

Requirements

PART ONE: GRAPHIC ORGANIZER 1

Read a historical nonfiction book that is about a specific period in history. As you read your book, take notes on graphic organizer 1.

- ⊙ Include major events that took place, important dates, pertinent people, and details.

PART TWO: GRAPHIC ORGANIZER 2

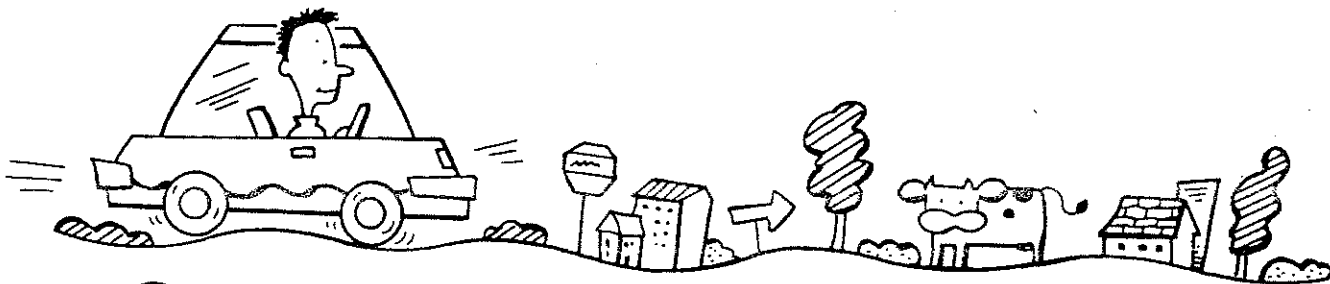

On graphic organizer 2, put the events from graphic organizer 1 into sequential order.

- ⊙ Write two complete sentences for each event, using your information from graphic organizer 1.

PART THREE: DESIGNING YOUR ROAD MAP

⊙ DESIGNING THE ROAD

1. Use a piece of white construction paper (12 x 18 inches).
2. Design a road on this paper that has a beginning and an end.
3. This road could be a winding country road, a busy downtown street, a superhighway, or a design of your choice.
4. Use pencil when designing your road in case you need to make changes.

Students have had about 2 months to complete this project. Time in class has been given to complete parts of this project that required a computer. In addition, every week students are required to read for 45 minutes as homework. Many students skip this part of the weekly homework and were trying to read their book during class instead of typing up their 10 events on the computer.
